Public Authority Registry for

In-Home Supportive Services (IHSS)

We Need You!

You can earn money helping someone in your community.

The Public Authority Registry is now Accepting Applications.

The Public Authority manages a Registry of providers available to work for IHSS Consumers. This program assists with matching consumers to Individual Providers (IP) experience, availability and tasks preference.

Join Our Registry

Are you compassionate, caring and reliable?

Do you want an opportunity to make someone's life easier?

Then consider becoming a Registry Care Provider.

Make this an excellent opportunity to learn new skills and gain experience in the caregiving profession.

The In-Home Supportive Services (IHSS) Program, provides services to eligible individuals over the age of 65, the blind and/or disabled. Our care providers help IHSS consumers live independently and safely in their own home by providing tasks they are not able to do for themselves.
