SAFE KIDS SAN BENITO COUNTY

Safe Kids San Benito County is led by San Benito County Health and Human Services Agency, which provides dedicated and caring staff, operation support and other resources to assist in achieving our common goal: keeping your kids safe. Based on the needs of the community, this coalition implements evidence-based programs, such as car-seat checkups, safety workshops and sports clinics, that help parents and caregivers prevent childhood injuries.

Galactic Exploration Storytime

Virtual Storytime

You are invited to:

Storytime in space! Together we will read, sing, and explore all space has to offer. Kids will also have the opportunity to design their own personal rocket ship!

When and where?

You can choose the time and setting for your Storytime to take place! We will have a monthly story session for you to access using a link creating flexibility for everyone.

How does virtual storytime work?

Our team will provide pre-made activities to go along with our weekly story theme. All you need to provide is a headcount of children served to ensure that everyone gets included in the fun!

Turtle Time Storytime

Virtual Storytime

You are invited to:

A turtle-tastic storytime, where together we will read *Yertle the Turtle*, sing, and explore how each individual has the ability to make a difference. Kids will also have the opportunity to create their own unique turtle!

Resource Family Approval

The Resource Family Approval (RFA) Program is a family-friendly and child-centered caregiver approval process that combines elements of the previous foster parent licensing, relative approval, and approvals for adoption and guardianship processes and replaces those processes. Resource Families provide placement for children, youth, and young adults (non-minor dependents from 18-21 years old) who are under the jurisdiction of the juvenile court, or otherwise in the care of a county child welfare agency or probation department. San Benito County resource families are given the unique opportunity to support the children and families in our community. By allowing our children to stay locally, each child is given the opportunity to continue attending his or her school, maintain social and familial relationships and thrive in familiar surroundings at a time when his or her life is uncertain. The resource family plays a vital role in the success of a child.

Our kids need you. Will you join our team?

Resource Family Role

The role of a resource family is to demonstrate excellence in parenting in a nurturing, supportive environment while preparing the foster child for reunification with his or her birth family. Resource families are part of a team who supports the child by embracing all members of the child's life, often providing support to the child's biological family, acting as a lifelong connection to promote a healthy and positive change. This allows the resource family to promote stability and permanence for the child throughout his or her life. When reunification with the birth family is not possible, the resource family prepares the child for the next steps of permanency, which may include adoption.

RFA Application

Start your online RFA application by clicking on the Binti link below. Please contact the RFA Unit, at (831) 636-4382 or RFA@sanbenitocountyca.gov for more information. Hard copy applications available upon request.
