

Visiting the dentist at least twice a year is imperative for dental health.

10

1

Tooth enamel is the hardest part of the human body.

We buy 18 yards of dental floss a year. We should buy 122 yards.

9

2

One quarter of adults in the US have lost all their teeth.

A Middle Age custom was to kiss a donkey for toothaches.

8

3

Teeth start to form before we are born.

COOL TRUTHS

ABOUT THE TOOTH

People prefer blue toothbrushes over red.

7

4

They're called wisdom teeth because they come in when you're older and wiser.

Tooth decay is the second most common disease after the cold.

6

5

We produce 100,000 gallons of saliva in a lifetime which helps prevent tooth decay by moving food away from teeth.
